

JOIN CANADA'S MOST SUCCESSFUL YOUNG SIRE PROGRAM

Talk to your Select Sires GenerVations representative about our benefit package for PGAC and *gender* SELECTed™ PGAC. They are Canada's most successful and fastest growing Holstein and Jersey young sire sampling programs as they complement each other for you, the breeder.

For daughters in the first two proofs or up to the first 50 daughters: Select Sires will pay the \$11.00 classification fee for the animal at the time of classification.

***There is no minimum number of doses required**

***PLEASE TALK TO YOUR SELECT SIRES
GENVERVATIONS REPRESENTATIVE ABOUT
FURTHER SEMEN DISCOUNTS FOR PGAC
SEMEN USAGE***

Let us work with you in improving your herd at a faster rate than ever before!
